Planning Commissioners not in Attendance:

Charlie McCarthy, Susan Petitpas

Staff in Attendance:

Terry Marpert, Dianna Broadie, Kim Dietz, Redmond Planning Department

Business Conducted:

Chair Martin Snodgrass called the meeting to order at 7:00 p.m.

The agenda was approved.

There were no Items from the Audience.

Dianna Broadie presented a proposed minor amendment to the Sewer Plan in North Redmond. The Commission asked questions about the notice to adjacent property owners, and Ms. Broadie explained the notice requirements. No action was taken on the amendment due pending a recommendation by the Public Works Department.

Chair Snodgrass opened the study session on the update to the Comprehensive Plan Introduction and the Neighborhood Element. Dianna Broadie and Kim Dietz reviewed the proposed amendment language. The Commission discussed the draft language and asked questions of staff.

Chair Snodgrass opened the study session on the Transportation Master Plan (TMP). Terry Marpert and Kurt Seemann reviewed comment and question list that the Commissioners developed, and responded to clarifying questions. They reviewed the proposed schedule and discussed the preparation of a Planning Commission issues list. The issues list will help determine which staff will attend further study sessions on the TMP. A community open house will be held on March 9, 2005 from 4:30 to 7 p.m. near the Council Chambers. The Planning Commission will hold a public hearing on the TMP beginning at 7:00 p.m.

Commissioner Parnell presented a briefing on technology.

The Commission asked staff to add public notification to the master project list to be reviewed at a future date by the Planning Commission.

The Planning Commission meeting was approved to extend beyond 10:00 p.m., and ended at 10:05 p.m.
